Dear Rocco,

Together we do make a difference!

This was never more true than on Sunday December 18th at the annual In Honour of the Ones We Love “Kids Beating Cancer” (Honourable Ninjas) Christmas Party.

Your generous donation of the gifts for the children and their families was truly amazing and the smiles and laughter was a testament to their value.

The inclusion of your Windsor Jr. Spitfires distributing the gifts was inspiring as some of these children will never know what it is to be part of team.

There are no words to express our gratitude to you. On behalf of myself and the committee of In Honour of the Ones We Love, may you and your family be blessed for your kindness to our children with cancer and other life-threatening illnesses or disabilities.

Sincerely,

Together we do make a difference!

Sincerely,
